THE JUDICIARY OF MISSISSIPPI.

men are compeled henceforward to employ their talents as a means of bread.

Eminent jurists, of wrecked fortunes, will surely not consent to give their talents. The political circles there is but little excitement. The Commercial yesterday morning aroused a spark of public to the consent to give their talents. wille the necessities of their bouseholds in the law governing the corporations of Knoxville and East Knoxville. Heretotising lawyers of inferior ability are fore according to the charter, no one but a property holder or renter was entitled

the intended withdrawal of Mr. Justice has been for many larger. A terror to evil-doers, a judge who knows, in the discharge of bis duty, neither friend nor foe, neither fear nor favor, he has been for many years as a solidar's worth of taxable property within shield and buckler to the law-abiding people of the river counties of Missispi. The honor of the position was, it is true, a sufficient reward to him while he was a man of fortune; but now that he has, I presume, been ruined by war, there is tui too much reason to fear, to conclude, that the rumor of his contemporation.

The first political meeting, "without the limits of contemporation to evil the man and states and soft and the with content of the position of a new plant, well known in Mexico, called ramie, supplying a new textile, which will furnish the world with clothing and the means of knowls dollar's worth of taxable property within the limits of the corporation. The body of the position was, it is true, a sufficient reward to him while he was a man of fortune; but now that he has, I presume, been ruined by war, there is tui too much reason to fear, to conclude, that the rumor of his contemporation and the supplied of the corporation. The body of the position was, it is true, a sufficient reward to him while he was a man of fortune; but now that he has, I presume, been ruined by war, there is tui too much reason to fear, to conclude, that the rumor of his contemporation are the beautiful the content of the position of a new plant, well known in Mexico, called ramie, supplying a new textile, which will furnish the world with clothing and the means of knowl substance with the signal running the exquisite fatures with the limits of the corporation. The body with clothing and the means of knowl substance with the limits of the corporation. The body of the fibre is cotton-like for white-ness of need. He has effected for ness, fineness and softness, but stronger.

—A Texas paper, speaking of the trade of Glaiveston with northern clites, says that he sig

nized by many who have seen to be asked by many who have seen to conclude, that the rumor of his contemplated withdrawal from the bench has at its base his own conviction of his overalling duty to his household.

An attempt was made during the last session of the legislature of Mississippi session of the legislature of Mississippi attended. Representatives from every to meet the altered condition of the state by an increase of the salaries of the salaries of the salaries of the ment the altered condition of nace or color, "every held in distinction of race or color, "every held in the shipments were 8094 to Boston, and distinction of the legislature of Mississippi attended. Representatives from every to meet the altered condition of the protecting were harmonious.

—A colored man lately from Lebanon informs us that in Wilson country Brownlaws of law and order, shall not receive a compensation higher than that paid in the court house in Nashville on Monday. It was largely attended the Lesses of the shipping the same than to compensation of the state the very received the same particular than the court house in

withdrawal from the bench of such men as Mr. Justice Yerger.

My somewrn in the case of the judiciary of Mississippi lies most directly in the counties of the bottom. I dwell, therefore, more particularly on a remedy in the case of that judicial district. The representatives of the five counties of representatives of the five counties of Mississippi lies most directly in the fore, more particularly on a remedy in this case of that judicial district. The representatives of the five counties of Mississippi lies.

My somewrn in the case of the judiciary of the poets and the novelists favorable, bear between 100,000 to 200,—000.

—It is said that Arkaneas owes the full states of the five counties of the city will, if the season continues favorable, bear between 100,000 to 200,—000.

—It is said that Arkaneas owes the United States government the sum of \$1,020,000, being principal and interest of \$1,020,000, being principal and interest

President Branner, of the East Tennessee and Virginia road, will have the bridge over the Holston, at Strawberry Plains, finished, and the trains running over it by the time this reaches

The judges of Mississippi are of a high order of Jurista. Popular suffrage in the election of a judiciary stands approved in that state by the choice of such eminorate that state by the choice of such eminorate that state of facts followed are, however, now totally changed. Men of private fortune—as those lights of the bench of Mississippi were some time ago—they accepted the choice of the people, regardaces of the pay, for the honor. Their estates destroyed, their families, in several cases, on the brink of ruin, those gentlements are compeled henceforward to eminor of a point of a case and the chain complete from this point east. The farmers in this section are considerably set back in their caisulations by the season, but they are going to work with a determination of a craft now at Savannah has a young crocodile. It came along to do the best they can under surrounding circumstances. From the surrounding circumstances in their caisulations by the season, but they are going to work with a determination to do the best they can under surrounding circumstances. From the surrounding circumstances, and the trains running over it by the time this reaches on the farmers in that washington had never been born, to which we sintered a curve which the form this point a curve surrounding circumstances. From the surrounding circumstances, and never been born, to which we sintered a curve wa

to the service of the state at a compen-tion, (with the names of its signers) to the legislature, asking for a change prevails in the regions of Schuyikill

making pleases of locy of the sands.

The next elections to the courts of Mississippi may, inder existing of the request of the petitioners stances, be expected to present a painful deterioration as to the quality of the state bench. Amongst other rumers indicative of that impending danger, I may instance one in which, as a bottoming in the corporations, can cust a vote for city officers. The original petition is now in possession of a gentleman of this timended withdrawal of Mr. Justices

Warger. A terror to evil-doers, a judge who knows, in the discharge of bis duty, neither fear nor favor, he has been for many years as a neither one of whom is known to own a neither of the next adaptation of the land understance, the patient conditions of the lands of the human eye in its different conditions of the lands to referred to peak the inferred on the 24d, for

a compensation higher than that paid in a first class dry goods store in Memphis to a clerk. The people of the state have yet a remedy for this ignorant, parsimony of the legislature; and surely are not so atterly blind to their own interests as to delay in applying that remedy, when the consequences of that delay foreshadow themselves in reports of the withdrawal from the bench of such men to write thusly. The weather of yesterday was lovely—it was enchanting. The spring of the poets and the novelists

THE PASHIONABLE WORLD IN GREAT COMMOTION !

The New Patent Fashion Skirt. This Skirt is made from Cloth woven expressly for it, and in such a manner that the Springs are completely hidden. It being whole, like a common musics akirt, the eld difficulties of getting the feet entangled among the wires, or catching

THE MOST FLEXIBLE SKIRT MADE! The Cloth from which this Skirt is made is woven very light, and the support which each spring receives on all points by the springs near it, renders a less number of springs necessary than usually required in the Common Skeleton Skirt to give the same elegance of form. Hence, the Skirt, though a whole Cloth Skirt,

For the House, the Church, Theater, Raticuad Cars and Crowded Assembiles,

For the Promenade,

again that elegance of shape peculiar to their washed without injuring the wire. FOR MISSES AND CHILDREN.

GRAND TRIUMPH OF THE AGE!

Complete Revolution in Hoop Skirts!

All the great difficulties and serious objections heretofore experienced by the Skirt Wearing Public entirely overcome by

akirt, the eid dimensities of getting the feet-entangied among the wires, or carbonal the wires on obstacles in the path, or on carriage or car steps, etc., are overcome, and the liabilities to the many accidents, which have heretofore so often proved fatal to life and limb, are most surely avoided. The Skirt can be made in any form desired, and owing to the support given by the cloth an Eliptic Spring is used, which not only adds much to its grace and elegance, but renders it \$5,645,388 87

IS NO HEAVIER than an ordinary Skeleton Skirt.

they are SUPERIOR TO ALL OTHERS. EASILY COLLAPSED, without danger of injury, and readily assuming

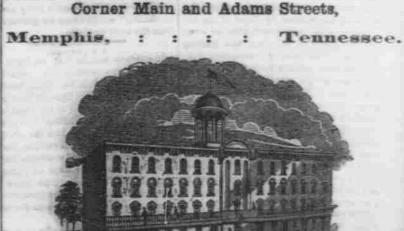

A more Elegant, Tasty and Desirable SKIRT cannot be conceived.

Nothing is Prettier, more Durable, Comfortable or Economical than The Patent Fashion Skirt.
